RE: Application of Chem-Nuclear Systems, LLC, a Division of Duratek, Inc., for Adjustment in the Levels of Allowable Costs and for Identification of Allowable Costs, Docket No. 2000-366-A.

Dear Mr. Duke:

Recently, South Carolina Electric & Gas Company ("SCE&G") received a notice that Chem-Nuclear Systems, LLC, filed an Application on September 30, 2003, in the above docket. SCE&G is a party of record in this docket by way of a Petition to Intervene, dated November 20, 2000. Accordingly, SCE&G does not believe it is necessary to file a new Petition to Intervene in order to participate in this proceeding as a party of record. If this is incorrect, SCE&G would request that this letter be accepted as SCE&G's Petition to Intervene and that SCE&G be permitted to participate in this proceeding on the grounds set forth in its earlier petition.

I would appreciate your acknowledging receipt of this letter by date-stamping the extra copy enclosed and returning it to me via the courier. If there are any questions or if further information is required, please advise.

Sincerely,

Catherine D. Taylor
